

THE OUTDOOR LAB 21

Students have used the Outdoor LAB 21 for reading discussions, project planning, group studying, and more! Sagewood teachers love the useful area!

“The Outdoor LAB 21 is awesome! It promotes students to learn in a comfortable environment.” -Mr. Estey

“The Outdoor LAB 21 provides a different educational scenery!” -Mrs. Booth

The Outdoor LAB 21 was named and created in memory of a previous Sagewood student, Logan Andrew Bauman. He loved the outdoors and was active in all Sagewood sports.

Whether students need to study for a test, or have a thoughtful reading discussion, the Outdoor LAB 21 is the go-to place!
