We take your college recruitment personally

The LAB fund played an important role in my college recruiting experience. Because of the generosity of the foundation, my family was able to enroll me onto the SAS program. We would not have been able to do so without the foundation's assistance. I will always be grateful to Andy, Karla & Alyse and the SAS team for helping me earn a baseball scholarship to Midland University.

The Logan Bauman Foundation is truly “making a difference” every day. Through the generosity of the Logan Bauman Memorial Fund, my son Nate is able to fulfill his dream of playing the sport he loves (baseball) at the collegiate level. Thank you, thank you LAB Foundation for making a difference in Nater's life! ~*Theresa Bubak, parent*

I cannot thank the Logan Bauman Foundation enough for their incredible support. My dream was to play college basketball, and I'm living that dream now, much in part because of SAS and the generosity of the Logan Bauman Foundation. Because of them, I was recruited to play at Lamar CC in Colorado, and I plan to transfer to a 4-year college after 2 years here. Thanks again for your wonderful gift, and I know many other kids like me will benefit from this opportunity.
