

PARKER POLICE DEPARTMENT

MEDIA RELEASE

Parker Police Explorer Program Receives Generous Donation

On Tuesday, May 31, 2011, the Parker Police Explorer Post received a generous \$1500 donation from the Logan Bauman Memorial Fund. Logan Bauman was tragically killed on Hilltop Road in 2008 and his parents, Andy and Karla, established the memorial fund to preserve Logan's memory. The fund provides for individual students that exhibit Logan's character and traits, and provides for youth programs that foster self-discipline, fair play, good sportsmanship and honest competition.

The Parker Police Explorer Post is a volunteer youth program designed to introduce participants to a career in Law Enforcement. Explorers develop leadership skills, receive hands-on career experience and volunteer their time for community service. The Post operates through fundraising and donations. The Logan Bauman Memorial Fund donation will assist individual Explorers attend competitions and purchase equipment.

For more information about the Parker Police Explorer program please contact Detective Shannon Brukbacher at 303.805.6523.
