

LAB Outdoor Classroom 21
Sagewood Middle School
Parker, CO
Opening - Spring 2014

The new Sagewood Middle School outdoor classroom, which will be named LAB Classroom 21, will seat 40 students. Purple and black outdoor furniture has been ordered to accommodate this. There will be a stainless steel demonstration table for the teacher. LAB Classroom 21 has electricity and will allow students and staff to access SGMS wireless. Teachers will have the opportunity to sign up for the classroom and use it with classes as an additional instructional setting. It will also be used by students during Cat Time (aka recess).
