

"Making a difference in someone's life every day"

Greetings to all of our Friends and Family,

We hope 2018 was a year filled with much joy and good tidings, and we wish all of you a very blessed New Year filled with prosperity, good health and happiness.

The 10th Annual LAB Memorial Golf Tournament, our yearly fund-raising event, was a huge success. This year the tournament was held in Imperial and Enders, Nebraska (Logan's "home course") over a span of two days. The support and attendance for both the golf tournament and the BBQ/Auction was simply incredible, and as a result, culminated into one of our highest grossing tournaments to date. We are truly grateful for the support and generous giving from so many in the Imperial community as well as the entire state of Nebraska. We felt tremendous pride and appreciation in holding the tournament there this year, and also felt immense gratitude and respect for the many Coloradoans that made the trip out to Chase County.

HEADED BACK TO WHERE IT ALL STARTED - PINERY COUNTRY CLUB IN PARKER - SAVE THE DATE! This year's tournament will be held at the Pinery Country Club on Monday, June 24th, 2019. We want to encourage all of you to try to attend this tournament as we have decided to take a step-back after this one to take some time to reflect and focus on what the Foundation has evolved into, and what our vision is for the future. We hope to see you all in June to help support us in our journey. Additional information will follow, although please feel free to obtain details on Logan's website.

With our continued involvement with the Regis Jesuit High School "sponsor-a-student" program, we are proud to announce that we will be celebrating the graduation of our fourth student Madison Munger. Included is an excerpt of her most recent testimonial regarding her experience with the LAB Foundation and RJHS.

"My name is Madison Munger, and I am a senior at Regis Jesuit High School, class of 2019. I am involved in, and have come to love, the cross country and track teams, as well as the journalism program at Regis. I enjoy spending my idle time with my friends and especially my family and two dogs. I love helping those in need and being able to support them, whenever and wherever.

Throughout these past few years, Regis has been a journey for myself which has thus far allowed me to further discover who I am and who I want to become. I have been challenged both academically and socially and have seen the role my faith and attitude play in my life. I hope to continue to grow and develop into the loving and caring person I know I am and to continue to demonstrate and share these qualities with other students at Regis, and to others within my life after I graduate. It is clear that we all have our own unique qualities that make us who we are, and it is these special qualities that can be contributed and shared with others at Regis, so that we can learn and grow from one other.

Prior to my first meeting with the Baumans, I must admit that I was a little nervous. I already knew how generous they were in helping me with this wonderful opportunity of attending Regis, so I wanted to make sure I made a good impression. After sitting down together, I realized I worried for nothing because no matter what, this family genuinely cared about me and as long as I was myself, I would be fine. Throughout our conversation, it was apparent that the Baumans were really interested in what my passions were and what I had to say. I have been so blessed to be a part of the annual golf tournaments, as each were an incredible day, and very well spent for this incredible cause. I admire the Bauman Family, for they truly are a munificent and altruistic family, and I am proud to be a part of the Logan Bauman Foundation.”

We are also thrilled to continue to have the opportunity to embrace and support our relationship with Jovonnie Bautista, who is completing his second year at RJHS and who remains humble by the possibilities that Regis can afford him through his academic and spiritual endeavors.

Since starting the Foundation in 2009, we have distributed over \$275,000 to over 30+ different recipients/organizations. We thank each and every one of you for your continued support and dedication in helping us keep Logan’s legacy alive and for allowing us the opportunity to continue to provide so many wonderful opportunities for our recipients.

Please accept our sincere appreciation for your continued participation and assistance with our endeavors to grow this Foundation, and to succeed in assisting students in their academic and athletic undertakings.

Sincerely,

Andy, Karla and Alyse Bauman
