As we embark on this new year, we will be taking a step back from hosting the LAB Golf Tournament and instead taking some time for reflection and re-evaluation of the LAB21 Fund, and determining the Foundations' objectives for the future. We are so grateful to have had the opportunity to play host to such a successful event over these past years 11 years, allowing us to carry on Logan's legacy of "making a meaningful difference in someone's life every day". We look forward to continuing to support a number of our core sponsorships in the ensuing years and will keep you updated with all our future undertakings.

Please accept our sincere appreciation for your continued participation and assistance with our endeavors to grow this Foundation, and in assisting students in their academic and athletic undertakings. We couldn't do this meaningful work without you.

Warmest regards,

*Andy, Karla and Alyse Bauman*
