

Coffee Cabin Toy & Coat Drive

The LAB Foundation participated once again this year in the annual Coffee Cabin Toy & Coat Drive, championed by the owner of the coffee shop Wes Crespi. We donated 21 coats to the cause this year, providing gifts that were distributed to underprivileged children during the holiday season. The donations went to a local elementary school here in the Parker area. This was the second year we were moved to respond to the needs of others less fortunate, with our inspiring actions always driven by our desires for “making a meaningful difference” in honor of Logan’s legacy.
