

"Making a difference in someone's life every day"

Dear friends and family,

Happy 2025! Starting in 2026 the LAB Foundation has decided to post the annual letter to our Facebook page (Logan Bauman Memorial Fund) and on our website www.loganmemorial.org in place of emailing the annual letter. Please check the LAB Facebook and website for foundation updates and events and feel free to share our Facebook page with others who may be interested in the LAB Fund.

Regis Jesuit High School and our sponsor students remains the cornerstone of our endeavors within our foundation. It is hard to believe we welcomed our eighth RJHS student this fall. Jayden is a freshman in the boy's division. We were able to meet him for our annual lunch along with Brooke who is a sophomore in the girl's division. We have included a short bio on the students that also can be found on our LAB website www.loganmemorial.org.

My name is Brooke, I am currently a sophomore at Regis Jesuit. I am so thankful to be able to receive this scholarship to attend Regis Jesuit. It's an amazing opportunity, and I am so lucky to be part of the community here. Outside of school I have continuously loved soccer and skiing. They are my favorite ways to stay active and challenge myself. I really enjoy spending time with my friends, no matter what we are doing. Regis has been an incredible place so far and I have grown so much academically and personally, and I am once again so grateful for the chance to be at this school.

My name is Jayden. I am a freshman at Regis Jesuit High School, Class of 2028. I am extremely grateful for what the Bauman's are doing for not just me, but many other students, future and past. When I first discovered Regis Jesuit, I was drawn in by its academic excellence as well as the sports programs. I wanted to go to Regis Jesuit so that I might have a better chance of success and achieving my goals in life, and because of Mr. and Mrs. Bauman and Logan's scholarship, I am able to do so. I plan to take full advantage of the opportunity that they have presented me and use what I have to positively change the world.

Once again we are very thankful for your continued support to Logan's Foundation and to our family. The foundation continues to support various projects and since its inception in 2009, we have distributed almost \$350,000 to different organizations and hundreds of recipients. We thank every one of you for your continued support in helping us in keeping Logan's legacy alive and for allowing us the opportunity to provide many wonderful opportunities for the recipients. We look forward to continuing to support many of our core sponsorships in the ensuing years and will keep you updated on all our future undertakings.

With kind regards,

Andy, Karla and Alyse Bauman
